

Employee Giving Solutions

Does your company seek to:

- Encourage employees to give to company-sponsored causes?
- Sponsor matching grant campaigns to amplify employee donations?
- Help employees connect with their favorite nonprofits?
- Offer employees a convenient way to donate in times of disaster?

Network for Good Employee Giving Solutions provide:

- Hosted giving page with custom content
- Tracking and reporting on employee donations
- Preparedness for humanitarian disasters

Welcome Federal Reserve Bank of New York!

2009 Employee Giving Campaign

In 2008, you were giving superstars, contributing \$16,669 to 78 unique nonprofit organizations! These nonprofits offer a wide array of services -- from helping the environment, to providing disaster relief, to ending hunger and homelessness, to promoting cancer research and care, and the list goes on.

We at Network for Good are here to help you have an even tougher year for charities, but your gift spreads help and hope.

Help Support Haitian Relief with the Employees of the Federal Reserve Bank of New York

Please join your Federal Reserve Bank of New York colleagues in helping the earthquake victims in Haiti by providing funds for critical aid including water, food, shelter, medical care, and reconstruction. Your donation will support organizations providing emergency relief and long-term rebuilding.

To ensure your contribution goes to Haiti relief funds, please remember to designate your gift to "Haiti Earthquake".

The screenshot shows the Network for Good website interface. At the top, it says "Welcome back Jean Walker (Not Jean Walker?) 000.000.0". Below that are navigation tabs: HOME, DONATE, VOLUNTEER, CRISIS RELIEF, MY PROFILE, and Share Cuts. The main content area is titled "TimeWarner Employee Matching Fund". It lists four organizations: American Red Cross, Save the Children, CARE, and Doctors Without Borders. A note at the bottom says: "To ensure your gift will be matched, please enter your work email address during the donation process. If you have any questions, see [FAQ]."
